Reka-Card with an online account

The Reka-Card can be used for cash and contactless payments at Reka acceptance points. All forms of Reka Money are available on the Reka-Card, such as Reka-Checks, Reka Rail and Reka-Lunch. You can top up the specific account at a discount on rekanet.ch. At a payment terminal select the form of Reka Money required for the payment. The only prerequisites are that the acceptance point accepts several forms of Reka Money and that sufficient credit is available in the account you have selected.

Reka Rail

Reka Rail is the practical means of payment for public transport offers and services. Employers grant a discount of up to 20 % when offering Reka Rail and you get a 3 % discount on presentation of the Manor and Jumbo myOne customer card.
