

Information concerning a departure

You hold a Reka-Card and are now leaving the company which has been paying your annual fees up to now – no reason for terminating your Reka-Card.

Please proceed as follows:

Your Reka-Card can still be used as payment for holiday and leisure offers, and you can continue to use and consume **the credit available in the same way as in the past.**

If you want to **top up your account with 2%**, this is always possible with any amount. You'll find details about this in your customer portal on reka.ch.

The annual account management fee is always payable in advance for the coming year. This initially takes place when the account is opened, i.e. with the first deposit. Kindly check in your Reka account when the fee was last charged. You will find details concerning the currently applicable account management fee in the fees overview under reka.ch/fees.

If you have used up your balance, however, and do not wish to continue using the Reka-Card, please terminate your Reka-Card with the appropriate termination form which can be found in the helpcenter on reka.ch.
