

Secure your Reka-Card credit now

Make the most of your holiday and leisure budget

Take the opportunity to smartly top up your Reka-Card credit: Simply pay your contribution using the QR-bill and benefit from discounted holiday and leisure money. **Important: Your entitlement to the discounted Reka-Card credit is limited in time – make sure to secure your credit in time before it expires.** Already paid-in balances remain valid indefinitely and can be used at any time.

Tip: Receive your QR-bills directly in your e-banking by activating eBill. Search for "Reka" under "Add a biller" in the eBill portal and activate the function.

If you have any questions, your HR department will be happy to assist you.

How it works:

1. Access your QR-bill in the customer portal at reka.ch or receive it directly via eBill in your e-banking.
2. Complete the payment.
3. Pack your Reka-Card and enjoy unforgettable holidays and leisure activities.
