

Secure your Reka-Rail+ credit

Your payment method for climate-friendly mobility

Whether it's for your daily commute or your next excursion – pay your share easily via QR invoice or eBill and boost your mobility budget. Important: Your right to purchase Reka-Rail+ credit at a reduced rate is limited in time – make sure to use it before the deadline. Credits already loaded onto your card remain valid indefinitely.

How it works:

1. Access your QR invoice via the customer portal at reka.ch or receive it via eBill in your e-banking.
2. Make your payment.
3. Take your Reka-Card and start your adventure.
