

Manage your Reka Money comfortably online.

Your Reka-Card also gives you personal access to the Reka customer portal. There you can manage everything with just a few clicks – all while retaining an up-to-date overview of your balance in the various Reka Money forms at all times.

Welcome to reka.ch

The first time you visit our customer portal, you must log on with the user ID and password that we send you separately.

Once you have updated your personal information accordingly, you can use all the functions on the customer portal.

The most important functions:

- Check your balance
- Top up credit on your Reka-Card
- View all your transactions
- Pay bills from Reka acceptance points
- Order Reka-Checks
- Change your Reka-Card PIN
- Block your Reka-Card if you lose it
