

Manage your Reka-Card credit comfortably online.

Your Reka-Card also gives you personal access to the Reka customer portal. There you can manage everything with just a few clicks – all while retaining an up-to-date overview of your Reka-Card credit balance at all times.

Welcome to reka.ch

The first time you visit our customer portal, you must log on with the User-ID and registration key that we send you separately.

Once you have updated your personal information accordingly, you can use all the functions on the customer portal.

The most important functions:

- ✓ Check your balance
- ✓ Top up credit on your Reka-Card
- ✓ View all your transactions
- ✓ Change your Reka-Card PIN
- ✓ Block your Reka-Card if you lose it
- ✓ Two-factor authentication and management
- ✓ Disable balance display on the terminal
