

# Expand your food budget

Reka-Lunch – discounted catering thanks to your employer

WITH REKA YOU GET MORE.

**reka** MONEY

## Cheaper catering costs

# What is Reka-Lunch?

It's a means of payment earmarked for catering that you can use all over Switzerland. The good thing about it is that your employer pays part of your catering costs. This way you can massively increase your food budget.

## Your advantages

# What's in it for me?

### A bigger budget for eating in restaurants and cafeterias

Would you like to expand your catering budget? Why not use Reka-Lunch! You pay a part into your account and your employer adds the rest. In a flash there's more in your purse. So, when you pay for your lunch with Reka-Lunch, your employer is paying part of it.

### New discoveries

Are you on the lookout for variety and a change to spice up the menu? With Reka-Lunch you can pay throughout Switzerland in many company canteens, local restaurants, takeaways, at the corner bakery, in hotels and motorway restaurants exactly the same as you would with Swiss francs.

### Zero taxes

No tax or other deductions are charged up to CHF 180.– per month.

## Reka-Card

# How do I pay with Reka-Lunch?

Reka-Lunch credit is loaded on your Reka-Card. The Reka-Card works like a debit card. You pay with it at the normal cashless payment terminals. Amounts of under CHF 40.– are conveniently paid for using the contactless function and without having to enter a PIN code.

## Reka-Lunch

# How it works

- You receive a QR invoice.
- When you pay in money is entirely up to you.
- The amount you pay in is increased by your employer.
- Your account will thus be credited with more money than you paid in.
- Once your first payment is registered you receive the loaded Reka-Card.

## Customer portal

# How do I manage my credit?

In the customer portal at [reka.ch](https://reka.ch) you can check or top up your credit, change your Reka-Card PIN code or block the card in case of loss.
